SINGLE USE INSTRUMENTS

Our new **Sayco Personal Care Instrument Range** is a quality offering intended for use by beauty professionals. We offer them sterile, in a single use / single patient format.

This allows more flexibility for practitioners that do not have the luxury of an on site autoclave.

SAYCO STERILE INSTRUMENTS ARE:

- Sterile, ready-to-use instruments.
- Supplied in easy-to-open durable clear plastic pouches.
- Available in packs of 10.
- **GUARANTEED QUALITY.** As with all the instruments that bear our brand name we guarantee that our product will be free of functional defects in workmanship and materials when used correctly in its intended purpose.
